Smithsonian Institution
Today’s Agenda

• Current Perspectives on Major Issues
• Examples of Successful Owner-Contractor Collaboration
• Virginia OSH Emergency Temporary Standard for Infectious Diseases
Current Perspectives on Major Issues
Examples of Successful Owner-Contractor Collaboration
Virginia OSH Emergency Temporary Standard for the COVID-19 Pandemic

1. Assess workplace for hazards that could expose employees
2. Implement employee self-assessment and screening
3. Provide work practice controls to reduce or eliminate contact within six feet
4. Prevent sick employees from infecting others
5. Implement stay at home / return to work policy
6. Implement procedures to notify people of exposures to COVID-19
7. Comply with anti-discrimination provisions
8. Prepare Infectious Disease Preparedness and Response Plan within 60 days
9. Conduct training within 30 days
Thank you very much!
