

TEN20°

EXECUTIVE GROWTH PROGRAM

January 11–20, 2022

CII's newly launched **TEN20° Executive Growth Program** at The University of Texas at Austin is the premier industry program for the development of **current and future executives** in the Capital Projects Industry.

Master the art of exceptional leadership through this accelerated two-week program that will develop your capabilities to **succeed at the top level** of your organization.

CII collaborates with world-renowned faculty at the McCombs School of Business to develop and present this custom program.

Team with award-winning faculty to find solutions for today's business challenges and develop the leadership skills that effective executives possess and practice:

- Develop skills and strategies to make strategic decisions and execute with confidence.
- Participate in a decision-making workshop covering scenarios, forecasting, and human biases.
- Develop planning strategies to effectively handle mergers and acquisitions.
- Understand the fundamentals of corporate governance, investor relations, and their impact.
- Understand financial analytics, capital markets, and transformative technology.
- Learn how to leverage human capital resources that contribute to the organization's mission.
- Learn how to address stakeholders, conflict management, crisis management and the media in an experiential setting.

Professional development continuing education credits will be awarded.

WHO SHOULD ATTEND

This program is designed for current executives, business unit leaders, prior CII Executive Leadership Program graduates, and high-potential rising leaders that are being groomed for future executive roles. Enrollment is limited to ensure the highest caliber of interaction among executive-level participants.

PROGRAM FEES

CII Members - \$24,900* Non-Members - \$26,900*

The registration fee includes tuition and planned meals.

*Program fee does not include hotel accommodation.

Hotel information will be included in the registration confirmation email.

We encourage sending multiple participants to maximize benefits from this program and increase the impact across your organization. Group enrollment discounts are available to companies sending multiple participants.
