

2019 ANNUAL CONFERENCE AND INNOVATION SHOWCASE

August 5-7, 2019 San Diego

The world looks to CII
for thought leadership
and “what’s next.”

*THE
FUTURE
IS HERE*
ARE YOU READY?

This year’s event offers a hands-on
learning experience and connects
you with the latest CII research
findings and tools presented by
the brightest minds in industry
and academia.

Research Topics include:

- New Practices and Tools for the Development of Flexible Facility
- Business Case and Practices for Increased Standardization of Capital Projects
- Practices for Anticipating and Responding to Ever-evolving Regulatory Requirements
- Life Cycle Cost Estimation
- VR Implementation Guide
- and more!

Dynamic Speakers include:

- Art Markman, Cognitive Scientist
- Ken Simonson, Chief Economist
- Colonel Tim Spaulding, Active Duty Air Force Officer
