

"This custom-designed program provides industry leaders the enhanced capabilities and strategic business acumen to help you excel."

- Past Participant

"It's innovative curriculum is comprehensive and integrated - designed to enhance strategic business knowledge."

- Past Participant

The **CII Executive Leadership Program** at The University of Texas at Austin is the premiere industry program for the development of the future leaders for the **Capital Projects Industry**. This accelerated two-week program will build your leadership capabilities to lead high performing teams.

CII collaborates with the Texas Executive Education at the McCombs School of Business to bring **world-renowned faculty** to create and present this custom program.

- Fine-tune your business acumen, develop executive leadership capabilities, and enhance your strategic business skills to enrich your company's culture while supporting the drive to enhanced profitability.
- Gain financial expertise to readily recognize where value is created in a capital asset business.
- Benchmark on best practices and network with leaders from both owner and contractor companies.
- Professional Development continuing education credits will be awarded.

## Who Should Attend

Business unit leaders / Rising leaders with 10+ years of experience.

Enrollment is limited to ensure the highest caliber of interaction among the executive-level participants. Applications and deposits received prior to Nov. 30, 2018 will be eligible for participation in the 2019 program.

## Program Fees:

**CII Members \$19,900**

**Non-Members \$20,900**

The registration fee includes tuition, iPad with course materials, hotel accommodations and planned meals.

We encourage sending multiple participants to maximize benefits from this program and increase the impact across your organization. Group enrollment benefits are available to companies sending multiple participants.
